

Youth Entrepreneurship Hub

Learn it. Apply it. Sell it.

August 1, 2026

Greetings:

Lady Godiva Productions has partnered with Refill Jackson Initiative to bring young people ages 12–18 together for the Youth Entrepreneurship Hub on Saturday, August 22, 2026, from 11:00 a.m. to 3:00 p.m. at Refill's headquarters (136 S. Adams Street). Participants will complete Entrepreneurship 101 and then apply what they learn by operating their own businesses during a Youth Vendor Market.

Purpose

The purpose of the Youth Entrepreneurship Hub is to expand economic opportunity, strengthen practical business skills, and expose young people to entrepreneurship as a pathway for creativity, leadership, and financial independence.

Your Support Is Critical

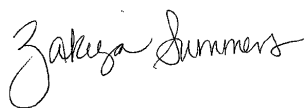

You are a respected workforce development partner. We invite you to join us as a sponsor. Your investment will help provide training, scholarships, materials, promotion, and a strong marketplace experience for Jackson's next generation of entrepreneurs. Sponsorship opportunities range from \$250 to \$2,500, with in-kind partnerships also welcomed.

Why Sponsor

- Advance youth opportunity, workforce readiness, and financial capability.
- Support young people as creators, problem-solvers, and business owners.
- Connect your brand with families, community leaders, and emerging entrepreneurs.
- Create visible, measurable impact through training, mentorship, and market access.

I would appreciate the opportunity to discuss how your organization can help young people turn ideas into income, confidence, and long-term opportunity. Please contact me at ladygodivaproduction@gmail.com or (601) 955-9761 by August 17, 2026.

Sincerely,

Zakiya Summers, Owner/Operator
Lady Godiva Productions
